## AHR EXPO 2024

This month, members of the S&P USA team traveled to Chicago for the 2024 AHR Expo! The team had a wonderful week in meeting with colleagues, customers, partners, and old friends.

A special thank you to those who attended our hospitality event on Tuesday night and to our sister company RenewAire, LLC for an outstanding booth. We're already looking forward to next year's event in our home state of Florida!

## NEW: TRCeN

Introducing TRCeN – S&P's newest product designed to provide balanced ventilation for commercial spaces. By removing stagnant indoor air and introducing fresh outdoor air, TRCeN significantly enhances indoor air quality.
