**Premium Choice Value Series**

**PCV50 & PCV80**

(Ceiling Mounted Ventilation Fans)

**Series Overview**

Available in 2 sizes (PCV50 & PCV80) the Premium Choice Value Series, as the name suggests, is the best CHOICE for the VALUE! The fans come standard with aesthetically pleasing plastic grilles, but you have the CHOICE of a Light Kit (PCVLEDK or PCVLK). If you need a humidity sensing fan, or if you need to control the speed choose the Humidity Sensor (PCHS) for the PCV50 or PCV80, or Speed Control (PCSC) for the PCV80. The controls and lighted grille are all “Plug-and-Play” options meaning one fan can be modified to be the exact fan needed. You even have the CHOICE to add a control or change the grille after the initial installation.

**Features & Benefits**

- Quiet operation 1.5 to 2.5 Sones
- 50 and 80 CFM models
- 4” duct connector with built-in backdraft damper
- Housing size: 9” x 9” x 5-3/4”
- Robust steel housing
