

CONGRATULATIONS, JOE & MARCEL!

S&P USA is excited to announce the promotion of Joe D'elia to Manufacturing Engineering Manager and hire of Director of Engineering & Safety, Marcel Ferrere! Learn more our Joe and Marcel in their features in the Jacksonville Business Journal: <https://www.bizjournals.com/jacksonville/potm>

ON SHELVES NOW

S&P USA's new PCD80XHP Bathroom Exhaust fans include a humidity sensor and high/low two-speed operation. Enhanced efficiency and quieter performance with a 0.5 certified sone rating and efficiencies that far exceed ENERGY STAR requirements. Further improvements include an all-new plastic blower wheel featuring Autoflo technology on both high and low speeds. Learn more on our [website](#).

HAPPY HOLIDAY'S FROM S&P USA VENTILATION SYSTEMS!
