

## FALL FAN BOOTCAMP

This month we welcomed customers from around the country to our headquarters in Jacksonville, FL for a one-day training on the S&P USA product line. Thank you to everyone who joined us!

Interested in attending a training event? Subscribe to our email newsletter to be notified when we host our next event. [Subscribe here!](#)

## BACK IN STOCK!

S&P USA's popular TD-MIXVENT In-line Mixed Flow Duct Fans are back in stock and ready to ship!

TD-MIXVENT's compact size and high airflow to pressure ratio make it the ultimate solutions for moving air through round duct. Discover why TD-MIXVENT is our best-selling product worldwide and place your order today: <https://solerpalau-usa.com/products/isdf/td-mixvent.html>

## MARK YOUR CALENDARS!

In observance of Thanksgiving, S&P USA's offices will close at 2:00 PM EST on Wednesday, November 23 and reopen at 8:00 AM EST on Monday, November 28.
